INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Boys and Girls Clubs of Canada

We have audited the accompanying financial statements of Boys and Girls Clubs of Canada, which comprise the balance sheet as at December 31, 2016, the statements of revenue, expenses and changes in fund balances and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BOYS AND GIRLS CLUBS OF CANADA

Notes to Financial Statements

Year ended December 31, 2016

The Boys and Girls Clubs of Canada (the "Organization") was formed to assist its member organizations to promote the health, social, educational, vocational and character development of boys and girls throughout Canada and to further the formation and assist in the development in Canada of Boys and Girls Clubs (the "Clubs").

Under the Income Tax Act (Canada), the Organization is classified as a registered charity and, accordingly, is not subject to income taxes, provided certain disbursement requirements are met. The Organization was incorporated on June 11, 1948 as a corporation without share capital under federal jurisdiction. The Organization was previously incorporated under the Canada Corporations Act and was continued under the Canada Not-for-profit Corporations Act in June 2013.

The Organization has a financial interest in the Boys and Girls Clubs of Canada Foundation (the "Foundation"), as it receives a significant portion of funding annually from the Foundation. The Foundation was formed to make gifts, grants, contributions and donations to the Organization.

These financial statements reflect the assets, liabilities and operations of the Organization. They do not include the assets, liabilities and operations of the provincial entities, Clubs or the Foundation, which are incorporated separately.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada Handbook.

(a) Fund accounting:

These financial statements are prepared using the restricted fund method of reporting restricted contributions.

The J.W. McConnell Foundation Trust Fund was formed to administer certain funds received from the Foundation. These funds are distributed to the Clubs and national office to offset the cost of special projects and certain administration expenses.

BOYS AND GIRLS CLUBS OF CANADA

Notes to Financial Statements (continued)

Year ended December 31, 2016

1. Significant accounting policies (continued):

The Scholarship Fund was formed to administer certain funds from donors related to specific programs. These funds are to be distributed in the form of bursaries or scholarships to youth upon graduation from the program. The amounts held in trust are:

	2016	2015
Future Generations	\$ 247,143	\$ 275,860
Rogers Raising the Grade	663,818	700,688
Fidelity Investments	15,000	22,500

(b) Revenue recognition:

Restricted donations or grants are recognized as revenue of the appropriate restricted funds. All restricted donations or grants for which no restricted funds have been established are recognized as revenue of the General Fund in the year in which the related expenses are incurred. Unrestricted donations or grants are recognized as revenue of the General Fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred capital contribution is amortized over the life of the related capital asset.

Restricted investment income is recognized as revenue of the appropriate fund. Unrestricted investment income is recognized in the General Fund when earned.

Membership and event fees are recognized as revenue of the General Fund when the services are provided.

(c) Financial instruments:

Financial instruments are recorded at fair value on initial recognition and subsequently measured at cost or amortized cost.

BOYS AND GIRLS CLUBS OF CANADA

Notes to Financial Statements (continued)

Year ended December 31, 2016

1. Significant accounting policies (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Organization determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Organization expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(d) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Organization's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Computer equipment and software	3 years
Office furniture and equipment	5 years
Leasehold improvements	Term of lease
Website	3 years

(e) Deferred lease inducement:

The Organization has a deferred lease inducement related to the reimbursement by the lessor of certain expenditures for leasehold improvements that will be amortized over the term of the lease.

BOYS AND GIRLS CLUBS OF CANADA

Notes to Financial Statements (continued)

Year ended December 31, 2016

1. Significant accounting policies (continued):

(f) Donated materials:

Donated materials are recognized in these financial statements only when fair value can be reasonably estimated and the materials would otherwise be purchased by the Organization.

(g) Allocation of administration expenses:

The Organization classifies certain expenses on the statement of revenue, expenses and changes in fund balances by function. The Organization allocates certain costs by identifying the appropriate basis of allocating and applying that basis consistently each year. The Organization allocates administration expenses to Support to Clubs, national programs and governance proportionately based on the percentage of time spent by active employees per function.

(h) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

2. Investments:

Investments consist of interest-bearing, cashable and non-redeemable guaranteed investment certificates and include the following:

2016			2015		
Fair value	Due	Interest rate	Fair value	Due	Interest rate

8. Deferred leasehold inducement:

Deferred lease inducement represents the reimbursement by the lessor of certain expenditures for leasehold improvements made by the Organization as inducements to enter into a long-term lease agreement. During fiscal 2012, the Organization received the benefit of \$218,725 as an inducement under a new lease with its lessor. 9. Internally restricted:

These funds have been earmarked to support operations required for the Organization to achieve its strategic priorities in the coming years. Internally restricted funds are not available for other purposes without approval of the Board of Directors.

10. Unrestricted Fund:

Included in the Unrestricted Fund is \$463,706 (2015 - \$463,706) of funds transferred in from the regional offices. These funds hold geographic restrictions in meeting the mandate of the Clubs.

13. Guarantees:

In the normal course of business, the Organization enters into agreements that meet the definition of a guarantee. The Organization's primary guarantees subject to the disclosure requirements are as follows:

- (a) The Organization has provided an indemnity under the terms of the head office lease, which is standard for such agreements. Under the terms of the agreement, the Organization would be liable to counterparties for a loss associated with the failure to follow the terms and conditions of the lease. No such liability exists at year end in relation to this indemnity.

BOYS AND GIRLS CLUBS OF CANADA

Notes to Financial Statements (continued)

Year ended December 31, 2016

13. Guarantees (continued):

(b) Indemnity has been provided to all directors and/or officers of the Organization in relation to their activities on behalf of the Organization. The Organization maintains directors' and officers' liability insurance to mitigate the cost of any potential future suits or actions. No claim has ever been made, nor do any such claims exist at year end in relation to this indemnity.

14. Risk management:

Investments are primarily exposed to interest rate and market risks. The Organization has formal policies and procedures that address risk mitigation. There has been no change to the risk exposure from 2015.

(a) Interest rate risk:

Interest rate risk arises from the possibility that changes in interest rates will affect the value of fixed income securities held by the Organization. The Organization manages this risk by holding guaranteed investment certificates and by staggering the terms of the securities held.

(b) Market risk:

Market risk arises as a result of trading securities. Fluctuations in the market expose the Organization to a risk of loss. The Organization mitigates this risk through investing in guaranteed investment certificates.

15. Allocation of expenses:

The Organization allocates salaries and administration expenses based on the percentage of time spent by active employees per function as follows:

	%	2016	%	2015
Support to Clubs	40	\$ 1,442,666	45	\$ 1,598,537
