## 2014 —YEAR IN REVIEW

Boys and Girls Clubs have been changing young lives in Canada for 114 years. In 2014, our Clubs provided 210,000 children and youth in 650 locations across the country with exciting opportunities to discover, develop and achieve great futures for themselves.

Boys and Girls Clubs of Canada supports its local Clubs with high-quality programs for physical activity, healthy living, learning, job training, leadership and creative expression. Thanks to our generous corporate partners, foundations, funders and donors, we were able to provide more than \$8.3 million to help Boys and Girls Clubs offer programs, support services and scholarships for young people.

We are very grateful for the leadership of our Board of Directors and the contributions of all our donors, volunteers and supporters. Because of you, Boys and Girls Clubs are enriching the social, emotional and physical development of children and youth during critical out-of-school hours.

Thank you.

### GOING STRONG 2018

Going Strong 2018 is our road map for strengthening our Clubs, our voice and our organization on behalf of children, youth and families. In consultation with youth, our Clubs, Board of Directors and staff, we identified the priorities and strategies to advance our vision for young people over the next four years. The highlights of this strategic plan can be found on our website.

### CAPITAL ONE RACE FOR KIDS

The third annual national fundraising event engaged a record number of participants, volunteers and communities on May 31<sup>st</sup>. With checkpoints designed to focus the mind and challenge the body, this urban adventure race raised \$700,000 for local programming at Boys and Girls Clubs in 25 communities across Canada, proving that it's true ... when grown-ups play, kids win.

### YOUTH IN OFFICE

The second annual Job Shadowing Day was a big success with youth and parliamentarians alike. A hundred teens from Boys and Girls Clubs and from Big Brothers Big Sisters Canada followed 60 Members of Parliament and their staffers for a day. The participants enjoyed exploring career possibilities in government and politics while watching democracy in action on the Hill.

*Great futures

### PSA CAMPAIGN

Highlighting how Boys and Girls Clubs affect young lives, three "Great Futures Start Here" PSAs were released across the country in December. The 30-second videos imagine well-known Club alumni—child psychiatrist Jean Clinton, NBA star Anthony Bennett, and NHL star Taylor Hall—as children who are supported and encouraged by caring Club staff. The PSAs have been viewed frequently on TV and YouTube.

# Core Values

**Belonging | Respect | Encouragement**  
**Working Together | Speaking Out**

## OUR MISSION

To provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

## OUR VISION

All children and youth discover and achieve their dreams and grow up to be healthy, successful and active participants in society.

# PARTNERSHIP HIGHLIGHTS

## CANADIAN TIRE JUMPSTART GET IN THE GAME

Close to 5,000 young people were able to get off the sidelines and get into organized sports and physical activities with Canadian Tire Jumpstart Get in the Game!

## FIDELITY INVESTMENTS CANADA

Since 2001, Fidelity Investments Canada has been supporting BGCC's Power Up! program, which provides the tools and environment necessary for young people to develop positive study habits and set and achieve academic goals. In 2014, Fidelity and BGCC also launched STEAM Ahead! to encourage youth to explore science, technology, engineering, the arts and math and help interest more youth in fields of study that will help them succeed in a technology-based economy.

## ROGERS RAISING THE GRADE

Thanks to Rogers Youth Fund, over a thousand Club youth are connecting with volunteer mentors to focus on academic support and life after high school at 40 different Rogers Raising the Grade programs across Canada. We saw an impressive 60% increase in the number of RRTG tech centres in Clubs across Canada this year.

## SEARS CANADA

In the 49th year of their partnership with BGCC, Sears Canada raised a record \$466,000 from its one-day annual golf tournament alone. Other grants and donations for our after-school programs brought their cumulative contribution to \$15 million since 1965.

## PRESIDENT'S CHOICE CHILDREN'S CHARITY

The Basic Needs, Brighter Future program of President's Choice Children's Charity expands young people's access to food while promoting the development of healthy habits, good nutrition and life skills. President's Choice Children's Charity generously donated \$500,000 for Clubs to provide young people with healthy meals and snacks and another \$500,000 for Clubs across Alberta to renovate their kitchens and purchase new appliances to ensure food services and nutrition programs are available to our members and their families.
