**ANNUAL REPORT 2015**

Robert Livingston, *Chair*

Owen Charters, *CEO*

## 2015: YEAR IN REVIEW

Thanks to our generous funders and donors, this year we provided a record \$6.7 million in grants to Clubs across the country. This vital funding ensures that our 96 Clubs can continue to offer enriching programs and essential services to 200,000 children and youth at 625 locations from coast to coast.

Many caring corporations help our Clubs make a difference and we are proud to mark an unprecedented BGCC partner milestone—50 years with Sears Canada. Since 1965, this longstanding partnership has positively impacted tens of thousands of young people and their families. We also welcomed four new BGCC partners: Cara Operations, Hudson's Bay, New Balance and Buffalo Wild Wings. We are grateful for their investment in support of Canada's young people.

After 12 years of compassionate and motivating leadership, we said goodbye to retiring CEO Pam Joliffe. Her dedication to the Boys and Girls Club movement was inspiring and she will be missed. We also wish to extend our gratitude to Marlene Deboisbriand for her support and guidance as Interim CEO.

Thanks to the tireless work of our amazing Club staff, volunteers and supporters, Boys and Girls Clubs continue to empower children and youth to discover, develop and achieve great futures.

### Flex Your Head

In 2015, Boys and Girls Clubs of Canada launched Flex Your Head, a program supported by AstraZeneca that promotes mental health for youth. Using a fun and engaging approach to teach strategies for managing stress, Flex Your Head breaks down the stigma of mental health in safe, inclusive and respectful Club environments.

### 2015 National Youth Forum

The BGCC National Youth Forum took place in Winnipeg from May 6 to 10, 2015. Led by the National Youth Council and Winnipeg Youth Council, the conference brought together over 150 Club youth and staff to hear thought-provoking speakers, join interactive workshops, and network with young leaders.

### Cause Campaigns

This year was marked by many successful cause marketing campaigns thanks to some incredibly caring companies. Employees and customers from Gap, Old Navy, Hudson's Bay, New Balance, Staples Canada, Buffalo Wild Wings and Sears Canada donated their time and energy to benefit our Clubs, raising over \$658,000.

# CORE VALUES

**Respect**

**Encouragement**

**Working Together**

**Speaking Out**

---

## OUR MISSION

To provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

---

## OUR VISION

All children and youth discover and achieve their dreams and grow up to be healthy, successful and active participants in society.

---

# PARTNERSHIP HIGHLIGHTS

## Sears Canada

This year marked 50 years of partnership with Sears Canada. Since 1965, Sears and its employees, customers and suppliers have donated an incredible \$15 million to support our quality, after-school programs.

## Canadian Tire Jumpstart

Thanks to Canadian Tire Jumpstart, 52 Clubs received Get in the Game! grants in 2015, empowering thousands of young people to get involved in organized sports.

## Rogers Communications

With support from Rogers Youth Fund, this year over 1,700 Club youth connected with mentors, received academic support and planned for the future at 40 different Rogers Raising the Grade program sites across Canada.

## President's Choice® Children's Charity

In 2015, every Boys and Girls Club across Canada received a grant from President's Choice® Children's Charity to help young people expand their access to food and learn about nutrition and healthy eating habits.

## Capital One Canada

In 27 communities across the country, teams of four raced through challenging checkpoints in the fourth annual Capital One® Race for Kids™, raising nearly \$625,000 for local Boys and Girls Clubs.

## Microsoft Canada / Fidelity Investments Canada

To ensure the requisite skills for today's tech-based world, Microsoft Canada and Fidelity Investments have made STEAM (science, technology, engineering, arts and math) education available to Club youth.

## Mondelēz International

2015 marked the 10th anniversary of Cool Moves, a national program funded by Mondelēz International that helps thousands of children and youth learn about nutrition, eat well and get active.

## Youth Leading Reconciliation

As part of the 4Rs (respect, reconciliation, reciprocity and relevance) movement, BGCC launched a youth-led initiative that seeks to connect indigenous and non-indigenous young people in Canada.

**"It's amazing to see the kids discover education and career opportunities they had never considered or even thought possible."**

—Angi, RRTG education supervisor

**"As a member of the National Youth Council, the Boys and Girls Club took a chance on me and gave me a chance to prove that I can lead."**

—Doug, NYC member

**"The mentorship I received was fundamental in bettering my abilities as a leader and role model, and it helped me set goals."**

—Club member

**"My mentor helped me figure out my work/life balance and gave me some good time management tips. He is much more than a mentor to me—he is a friend."**

—William, Rogers Raising the Grade participant

**"The staff and volunteers at the Club helped me see myself differently. They told me I was an awesome person and I could make friends. They made me feel accepted."**

—Alexandria, alumni

**"It's that sense of belonging. These children, who would otherwise be going home to an empty house, are going to a place where everyone is excited to see them and they can interact with friends and leaders."**

—Peggy Hornell, former Executive Director, President's Choice Children's Charity
